

America's Finest Charter School  
School-Family Compact 2022-2023

*As a Title I school, the AFCS community, including families and school staff work together to help students achieve high academic standards. This compact pledges that we share the responsibility for preparing all students for success in higher education, and the means by which the school and families will build and develop a partnership that will help children achieve the State's high standards, in a safe, respectful, and responsible environment.*

As a student, I pledge to:

- Be in school every day, so I can learn.
- Complete all assignments and use the strategies I learn in school.
- Tell my teacher and family if I need help.
- Follow the school rules, creating a safe learning environment for all.
- Make good choices with my time, and limit use of electronic devices and television.

As the family, we pledge to:

- Establish a time and place for homework and check it daily; and ensure the appropriate use of electronic devices and television.
- Make sure \_\_\_\_\_ is in school every day; and let the teacher know if they are having problems.
- Make sure \_\_\_\_\_ follows the district/school/classroom rules, in order to support a safe learning environment.
- Participate in school activities, i.e. conferences, Back-to-School Night, Open House, meetings and trainings.
- Ask my child open-ended questions and use the learning strategies/materials that the teacher sends home, to help \_\_\_\_\_.

As a teacher, I pledge to:

- Communicate regularly with the family, creating partnerships for learning.

- Explain my expectations, goals, and grading system to students and families.
- Provide appropriate homework assignments that are relevant and interesting, on a regular basis, and strategies families can use to support the student's learning.
- Participate in collaborative decision making with school staff and families to achieve high academic standards.
- Participate in professional development opportunities that improve teaching/learning for all students, implementing high interest, research based methods in the classroom.

As a principal, I pledge to:

Create a welcoming and respectful environment for all; promoting a working partnership between families, students and staff.

- Communicate the school's mission and goals to the staff, students and families.
- Ensure that best practices are being implemented in every classroom in order for students to attain proficiency on the CAASPP.
- Provide teachers and students with training and materials to empower them to succeed.
- Ensure a safe learning environment.
